THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRIMATI SUMITRA MAHAJAN): (a) Yes, Sir, Petronet LNG Limited (PLL) has signed a Sale Purchase Agreement (SPA) with M/s Rasgas of Qatar for supply of 7.5 Million Metric Tonnes Per Annum (MMTPA) (5 MMTPA for Dahej LNG Project in Gujarat and 2.5 MMTPA for Kochi LNG Project in Kerala) of Liquefied Natural Gas (LNG) for 25 years through a global competitive bidding process, Dahej project is mechanically complete and the first load of LNG will be arriving in January 2004. The pre-project activities for Kochi project have been completed. Further progress would depend upon market tie up.

(b) The price formula of LNG is a part of SPA and has been settled between Rasgas and PLL.

(c) and (d) Worldwide, generally the prices of LNG are indexed to crude oil. Gas Sales Agreement (GSA) for PLL's LNG from Rasgas has been settled based on international competitive bidding.

(e) No, Sir. LNG involves a large investment at upstream for liquefaction, cryogenic shipping and regassification of liquid LNG and hence the price of LNG is normally higher. Many of the private parties producing natural gas in the country are selling their gas at a price which may be close to the price of LNG.
